

Putting Clips On Cords

With clip in one hand and cord in the other, thread loop of cord through ring:

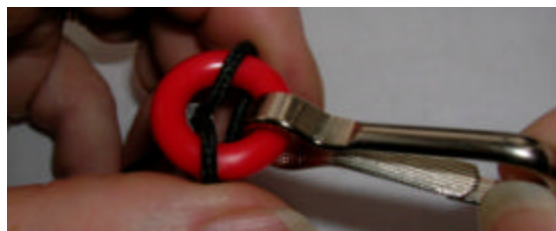

Thread silver clip through loop of cord and:

Then pull silver crimp through the ring

Pull cord around ring

Cinch cord down tight.

Removing Clips from Cords

Cord and clip start out looking like this:

To remove, loosen loop of cord around ring, peeling cord around ring

Then pull loop free

And pull cord off metal clip

And remove cord from clip completely.
